農場入り口での消毒

A man wearing a full-body white protective suit, including a hood and gloves, stands in the center of the frame. He is also wearing green rubber boots. The background shows a long, low building with a white roof and a large window area. To the right, there are several large, silver, cylindrical storage tanks. The ground is a dark, paved surface.

A photograph of a light-colored, textured wall. On the right side, there is a wooden panel with a white electrical outlet or switch. A black cable runs vertically down the wall, passing in front of the wooden panel. The cable has some text printed on it, which is partially visible. The wall shows some minor imperfections and a horizontal line, possibly a joint or a crack.

壁面(防水加工)

The image shows a dark, textured surface, possibly a ceiling or wall, with a blue rectangular box containing yellow text. The text is in Chinese characters. There are some faint vertical lines and a small red object visible on the left side of the image.
