

CONSUMERS:

Are you concerned
about the **quality**
and **safety**
of your food?

?

You have a partner in the **Codex Alimentarius Commission**, a United Nations body that sets food standards. The Commission urges you to become involved in Codex activities in your country. Your input can make food safer.

HEALTH
PROFESSIONALS
AND SCIENTISTS:

Are you
active in food
safety?

?

You should know about the **Codex Alimentarius Commission**, a United Nations body that sets food standards. The Commission urges you to participate in Codex activities in your country. Your input can make food safer.

Codex国際食品規格委員会は、全ての人々に食品の安全性確保の責任分担と貢献を求めている。
